

# From Education to Livelihood: Become a Livelihood Employer

An Open Invitation to Employers, Companies, and Industry Partners

Phoenix Space invites forward-thinking companies to join the **From Education to Livelihood Programme** - a global initiative connecting high-achieving Palestinian graduates from Gaza with meaningful work experience, placements, and early-career employment opportunities. This programme bridges the critical gap between education and employment by enabling students affected by war and displacement to convert academic achievement into real-world professional experience and sustainable livelihoods.

## Engagement Opportunities for Partners

We are recruiting Livelihood Employers willing to offer:

- Paid internships
- Graduate placements
- Entry-level roles
- Remote work opportunities
- Short-term project-based contracts
- Mentorship-linked work experience
- Join employer-led workshops and job fairs

Paid opportunities are strongly encouraged to support financial independence and dignity.

## Priority sectors include (but are not limited to):

- Computer Science & Engineering
- Humanities, Social Sciences & Law
- Business, Management and Finance
- Public Health & Medicine
- Education & Pedagogy
- Construction & Environment
- Creative Arts & Media

## Candidate Talent Profile

You will be supporting Palestinian Master's students' safe exit from Gaza who are currently studying at top universities in the UK and Ireland.

- Hold accredited postgraduate qualifications
- Have strong English proficiency
- Have completed professional readiness training
- Are legally eligible to work under the UK Graduate Visa routes
- Are motivated, resilient, and career-focused

## What Phoenix Space Provides

- Collaborate with universities' career centres, NGO's and their networks, large corporates
- Designing and coordinating workshops, mentorship programmes, job fairs, and employability/mentorship networks for students.
- Candidate screening and matching + Legal Eligibility
- Pre-placement training
- Impact monitoring and reporting
- Ongoing student mentoring
- Premium Codes for LinkedIn.

Making participation low-burden and high-impact for employers.

## Why Become a Livelihood Employer

For students displaced by conflict, access to employment is not simply career development - it is economic survival, dignity, and stability.

By becoming a Livelihood Employer, your organisation will:

- Support conflict-affected youth to access fair work opportunities
- Strengthen global talent pipelines
- Contribute to long-term economic resilience in Palestine
- Advance your ESG, DEI, CSR and social impact commitments
- Access motivated, highly educated early-career talent

This is not charity - it is talent activation with impact.

## Where Opportunities Can Be Based

- UK-based hybrid or in-person roles
- Birmingham, London, Durham, Falmouth, Lancaster, Belfast, Sussex, Ulster, Aberdeen, Bath, Brighton, Dundee, Edinburgh, Exeter, Glasgow, Greenwich, Liverpool, Manchester, Oxford, Portsmouth, Sheffield, St Andrews, Warwick, York
- Remote placements will be considered (global).

We work with employers to design flexible engagement models that meet both business needs and student capacity.

## When the Programme Launches

Early registration is encouraged to allow skills matching and placement planning

- Employer onboarding begins: February 2026
- First placement cycle begins: July 2026

## Our Track Record

Phoenix Space currently supports **104** Palestinian students (and 13 of their dependents) evacuated from Gaza through tuition assistance, post-arrival support, and academic stabilisation.

Working alongside universities, NGOs, government partners and private sector donors, Phoenix Space helped mobilise funding, secure visa access, and coordinate safe educational pathways.
